

Grade 10 Performance Practice (ATP 2OE) - Application Form

ATP 2OE Dance, Performance Practice, Grade 10 Enriched/Open

This course emphasizes the development of choreography and builds on technical skills of experienced dancers. Students will acquire increasingly difficult technical skills as well as learn repertoire pieces. Students will take on the roles found in a professional dance company and perform as such at various times throughout the year.

Prerequisite: Teacher recommendation: Completed application form, interview and/or audition. Grade 9 students can be considered for advanced placement in this course based on previous experience.

Please **DO NOT** select the course code **ATP 2OE** on your registration form. Please select the regular grade 10 dance course, **ATC 2O1**. If your student is accepted into the Grade 10 Performance Practice class we will have their courses switched and will notify you by email.

Please drop off your completed application form to the main office (attn. Tracey Iddison-Gubbels) or email to t.iddison@tvdsb.ca by February 14, 2020.
